Spirit Aviation Services Inc.

1012 Brioso Dr. Suite 106, Costa Mesa, CA 92627 USA

Subject: Letter of Conformity for FAA AC 00-56B Compliance

Dear Mr. David Taylor, President

This letter is issued to confirm that Spirit Aviation Services Inc. With its premises located at 1012 Brioso Dr. Suite 106, Costa Mesa, CA 92627 USA, has been assessed in relation to the standards and requirements of the Advisory Circular FAA AC 00-56B, Voluntary Industry Distributor Accreditation Program, by the Federal Aviation Administration (FAA). Validity of this letter is integrated with the QMS of the Spirit Aviation Services Inc., Inc. QMS Certificate number 250214010101 of Spirit Aviation Services Inc. is valid and 13th expires on February 2028.

Following the verification of documents and records presented to us during the audit process, we acknowledge that Spirit Aviation Services Inc. Has established and applies a Quality Management System (QMS) that is in line with the principles and specifications of FAA AC 00-56B is applied to "Aviation & Aerospace Parts Sales." QMS includes procedures relevant to the handling, storage, and distribution of aviation parts and components, aimed at ensuring the traceability and authenticity of parts in compliance with FAA guidelines.

It is important to note that this confirmation is based on the information and evidence provided by Spirit Aviation Services Inc. At the time of the audit Spirit Aviation Services Inc. bears the responsibility for maintaining its QMS in accordance with AC 00-56B standards and for the continuous adherence to these guidelines.

In addition to the previously mentioned verifications, it is pertinent to highlight that all relevant documents and records required for the verification of the effectiveness of the Quality Management System (QMS) within the organization have been thoroughly assessed. This comprehensive assessment was conducted by an assessment team led by Soly Luna Begazo Calienes, auditor qualified and approved to verify QMS adherence to standards as per TNV's Procedures. Subsequently, a detailed report dated 06-02-2025 of this assessment was submitted to TNV Certification Pvt. Ltd., an Accredited Management System Certification body.

Spirit Aviation Services Inc. Acknowledges the importance of upholding the standards prescribed in AC 00-56B and is dedicated to ongoing improvement to meet these standards. We emphasize that the responsibility for compliance with AC 00-56B and any subsequent updates rests with Spirit Aviation Services Inc.

For additional information or inquiries regarding the compliance status of admin@tnvmail.com with FAA AC 00-56B, please feel free to contact us.
